Ed Henry with Traffic Specialties Inc. met with the Board to discuss the Board accepting POST training in lieu of courses taught by Board approved instructors. After discussion, the Board advised that current law and rules mandate that all training for private security personnel must be conducted by a training instructor who is certified by the Board. The Board advised that the matter is being reviewed for future consideration; however, at this time, Mr. Henry was advised that he must comply with the Board's law and rules.
